ABOUT THE TOURNAMENT

One for the Vets Annual Golf Tournament began in 2017. I personally did not get the chance to serve in the military but found a way to help give back to those who did.

All proceeds go back to the veterans. I have worked with a couple of different recipients such as, The Gary Sinise Foundation (building smarthomes for wounded vets), Operation Homefront (provides stateside assistance for the families of the deployed), and Father Bills & Mainspring (helping to house homeless vets). Please join us in saying thank you for all you do. Donations, sponsorships, prize items, or join us for golf on the last Monday in June each year. Thank you for your support!
